4. Recent typhoons have devastated many parts of the Philippines, impacting countless lives. Many of our former parishioners, who served this community faithfully for years and had already returned to the Philippines, have recently reached out to us in their time of need. In response, we have prepared an initial shipment of supplies, which will be dispatched this Sunday. To further support this vital effort, there is a second collection today. We sincerely ask for your generous support to extend a helping hand to our friends in their hour of need.
